

Json::Writer

```
graph BT; A[Json::FastWriter] --> C[Json::Writer]; B[Json::StyledWriter] --> C;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Json::Writer'. Below it, a horizontal line connects two boxes: 'Json::FastWriter' on the left and 'Json::StyledWriter' on the right. A vertical line with an upward-pointing arrow connects the midpoint of this horizontal line to the bottom center of the 'Json::Writer' box, indicating that both 'Json::FastWriter' and 'Json::StyledWriter' inherit from 'Json::Writer'.
